RE-TRANSMITTAL OF POWER OF ATTORNEY

Sir:

The Decision on Petition dated October 29, 2002 resulted in a grant of the petition for revival of the above identified application, but also indicated that the accompanying power of attorney had not been accepted, because it was not accompanied by a Certificate under 37 CFR 3.73(b). The undersigned regrets the oversight in failing to include the noted certificate.

Accordingly, transmitted herewith is a duplicate of the Power of Attorney filed on October 22, 2002, together with a Statement under 37 CFR 3.73(b), as required. Both documents were in the file of the undersigned, but the Statement was inadvertently excluded from the October 22 filing. A copy of the recorded assignment referenced in the Statement is also enclosed.

Since all requirements have now been met, acceptance of the power of attorney is respectfully requested. Please forward all future correspondence in connection with the
